

## 6<sup>th</sup> Six Weeks

This six weeks is all about Earth Day and taking care of this great planet. Please use the attached checklist, "An Earth Friendly Me," to become more aware of what needs to be done to take care of our planet. You must check off 7 of the 10 items from the list. Once you have finished your checklist have your parents sign off for your completion.

**OR**

PTO Outreach Activity (information to come)

If you choose not to take part in the Earth friendly checklist, please work on the Science activity.

*Science Activity:* Take a disposable item from your trash and create a new use for it. For example, take an empty can and create a pencil holder. Be creative and bring them in to share with your class.
