

Carroll High School Pre-AP Physics Summer Assignment

[Click here](#) to download Chapter I of Holt's *Physics* by Rinehart and Winston.

1. Read /study pages 4-31 (Chapter 1) of Holt's *Physics*, by Rinerhart and Winston. Use the link above to access these pages; they contain an explanation of the concepts, all the tables, and the assigned problems. Show all your work to support the answers you get.

2. Commit the following tables to memory:

Table 1-3 (page12)

Table 1-4 (page 17)

Table 1-5 (page 18)

Table 1-6 (page 19)

3. Complete the following assignments:

Practice 1A (page 14)

Section Review (page19)

Section Review (page 25)

Problems #11,12,13,14, 15,16,17,18,19,20,21,22 (page 28)

Problems # 23, 25,26,27,28,39,40,41,42,43,44,45. (page 31)

You are required to turn the answers to the problems and questions above in the first day of school. This will be your first grade (quiz value).

You will take a quiz on the application of the tables above during the first week of class.
