Prospective CMS Dragon Athletes (Entering Grades 7&8 for the 2011-12 School Year),

The following paperwork must be completed and turned in all at one time anytime during business hours (offices closed in July) this coming summer:

- 1) Physical – performed by a doctor
- 2) Acknowledgement of Rules
- 3) Steroid Abuse
- 4) Athletic Participation Release – Must be Notarized

This paperwork is required of all athletes who will be enrolled into athletics at CMS for the 2011-12 school year. The forms can be found in 2 different places for your convenience. First, you can go to the CMS athletic website (<https://sites.google.com/site/cmsathletic/home>) and look under the forms section. All forms are located there and you can print off each form. The second way is to drop by the CMS front office and request it from the secretary. The secretary has two types of form packets.

- 1) The first is referred to as a folder. It is a manila folder with the forms printed on each flap of the folder so it is easier to keep up with. Inside that folder is the physical form that must be completed by a doctor.
- 2) The second packet is all forms stapled together with a cover page labeled “Athletic Paperwork 2011-12”.

The website, folder, and the packet contain the same exact forms. Whichever is most convenient for you is the one you should choose. All 3 types (website, folder, packet) are accepted and serve the same purpose.

The physical form that must be completed by a physician needs to be completed anytime in the summer. Physicals only last for one calendar year so it is very important that you get that done in the summer months and not before so that your child is covered for the entire 2011-12 school year. We will NOT accept paperwork prior to the end of the current school year. Once the current school year has been complete, you can drop off your paperwork into the front office prior to the first day of the next school year. There will be an example to look at before turning one in so that you can ensure all signature spaces have been filled out and that all forms are included.

If your child has already gotten a physical, you need to be sure that you get them their next years physical (2012-13) before the 1 year expiration so they may participate in athletics the entire 2011-12 school year.

If you have any questions, please do not hesitate to contact our athletic department.

Thank you,

Jacob Webb
