

EXTENDED DAY

CARROLL MIDDLE SCHOOL

TUESDAYS, WEDNESDAYs and THURSDAYS

3:50 – 4:50

Dear CMS parent,

We have had many students and parents asking about our extended day program. This is a joint PTSO & parent-funded program to give your child opportunities to stay on top of their academics in a quiet and structured environment. Two days a week in the library, there will be two CMS teachers. Your child may come to participate for one or more of the following reasons: homework completion, research, study group sessions, silent study, tutorials, or to make up a test.
