Assessing comprehension of Summer Material:

- 1) Quiz access is found at <http://www.quia.com/pages/2007cmanatomy.html> I also post my syllabus, labs and notes on this site. Bookmark this page for easy access.
- 2) Access to a previous month's quiz is denied once a new month begins. You may take summer reading quizzes earlier than required, you may NOT take them LATE. This provides flexibility for students attending camps, on vacation, etc.. PLAN AHEAD NOW based on your summer schedule!
- 3) QUIZZES ARE TIMED. You are logged OFF when time expires. A timer is shown on the page.
- 4) Do NOT press the **browser's BACK Arrow** or use the **Backspace key** during the quiz ...The program "kicks you out ", you can't re-enter. You can move between questions, shown one at a time, but once you hit "submit" for a question you CAN NOT change the answer for that question.
- 3) **TEST** over Ecology chapters will be given within the first 3 weeks of school!

Email me if you have ANY questions!! I am looking forward to a great year!!
