

Keep Our Seniors and Community Safe

2011 Carroll Senior High School Project Graduation

Dear Community Sponsor,

PROJECT GRADUATION, a drug and alcohol free event held after graduation is designed to provide a safe celebration for our graduating seniors. This event has proven to be the most effective means of combating needless accidents and deaths involving graduating teens on one of the most important nights of their lives.

Nationwide, PROJECT GRADUATION events have an overall attendance rate of 63%. At Carroll, at least 85% of our seniors attend this drug and alcohol free event. Our success is directly related to the local community support of this project by people like you.

Last year, PROJECT GRADUATION 2010 cost approximately \$108,000. Once again, we need your valued donation to support our Class of 2011 seniors. **Project Graduation is funded through donations, fundraising activities and the annual Craft Fair in November.** We hope that you will consider donating generously to keep the excitement of the program alive and the 2011 seniors safe during this important night.

Carroll Senior High School graduation will take place on Friday, June 3, 2011. Project Graduation begins after the commencement ceremonies at 11 PM and lasts until 5 AM. We expect 500 of our seniors to walk through the doors of the Main Event Entertainment Complex in Grapevine to celebrate with their peers. Dozens of volunteer chaperones will ensure that graduates are safe and provide the people power behind this fun-filled event. The graduates will be locked in safely to enjoy a night of games, music, food, prizes and most of all, memories to last a lifetime.
