Dear Parent,

The State of Texas 2010-11 School Report Card for Carroll Senior High School has been published. This is a report required by the Texas Legislature and prepared by the Texas Education Agency. It is to be provided to the parent or guardian of every child enrolled in the public schools. The report provides information concerning student performance as well as information concerning expenditures, average class size, and student/teacher ratios.

The information contained in the School Report Card is required by state law and is briefly described in the 2010-11 School Report Card Definitions published on our Carroll Senior High School website. The report for our school may or may not have all the information described, because the information presented depends on whether the school is an elementary, middle, or high school.

State law requires that the information be provided for the state, the district, the school, and a group of schools similar to our school. Where possible, the information must be reported by ethnicity and socio-economic status of the students and must include at least two years of results.

You can obtain this information on the internet at:
