

Project Graduation 2010 – Volunteer Form

Supporting Project Graduation 2010 starts with supporting the PTSO's annual Craft Fair. The Craft Fair is November 7 and 8 at CSHS. Please volunteer and/or shop at the event. The Craft Fair is the only organized fundraiser we have for Project Graduation. All proceeds go to make Project Graduation a success. Please consider donating your time and talents to help give the Class of 2010 a night to remember and sign up to volunteer on a committee and/or work the event the night of graduation.
