

PROJECT GRADUATION 2011

Carroll Senior High School
1501 West Southlake Blvd.
Southlake, TX 76092

March 1, 2011

Dear CSHS Senior and Parents of Graduating Senior,

Graduation is a time for a great celebration which can provide long lasting memories for everyone involved. Unfortunately, some memories are not positive if they include drugs and alcohol. That is why Carroll Senior High School PTSO is once again sponsoring a **Project Graduation Celebration**. We are very excited about hosting **Project Graduation** in honor of our 2011 graduates, and want to provide a **fun, safe** and **substance free** evening for everyone.

The all-night event will be held at **Main Event Entertainment** in Grapevine on Friday, June 3rd, beginning at 11:00 pm following Commencement. Activities during the evening will include: unlimited bowling and laser tag, billiards, 100 video and driving games, Blackjack, Texas Hold'em, Craps, Poker Tournament, Roulette, sketch artists, caricaturists, door prizes and lots of food and beverage. Prizes include such items as laptops, flat panel TV's, MP3 players, printers, video cameras, digital cameras, refrigerators, microwaves, etc. In addition, all participants who stay the entire night will receive a congratulatory gift as they leave.

Project Graduation is the result of many volunteer hours. The community has been generous with donations and support of our various fund-raisers throughout the year. Volunteers have signed up to chaperone the event. We are asking the parents for their support. **Parents, please encourage your senior to join in the festivities!** We have had close to 90% participation for the past few years. We hope every senior will take advantage of this opportunity to share one last evening together as a class. Ticket and party information is enclosed. If you have any further questions, please do not hesitate to contact me at 817-251-6994 or singleonce@verizon.net.

Project Graduation is not just about saving lives, but also about savoring a special moment in one's lifetime. Let's give our seniors an evening to remember.

Sincerely,

Catherine Singley
