The Power of One

In the spirit of the season, The Power of One Club is sharing the holidays with those in need. Join us in our efforts to make a difference!

Mission

The **Power of One Club** is a group that involves the entire student body in supporting the ideals and morals of spreading appreciation throughout the CSHS campus. Our mission is to form our school into a unified **POWER** and to instill the idea that every **ONE** has the power to change another's life.

Appreciation Projects

Every month, the Power of One Club recognizes a group in the community by showing them appreciation. These groups we appreciate are those who make an impact on the lives of so many. We want to continue that chain reaction of kindness by saying "thank you". Thus far, we have completed Appreciation Projects thanking The Carroll ISD School Board, the teachers of CSHS, the aides for special needs students, the counseling department, and the principal. Our gifts of appreciation often include lunches, dinners, or sweets as well as handwritten cards and flowers. As the club is non-profit and has no budget, students have been providing for the projects out of their own pocket. These small gifts of appreciation show how much we appreciate everything these inspiring people do for us, our school, and the Southlake Community.

Power of One Students

The Power of One Student of The Week Award recognizes an upstanding student who shares their power to make a difference every day. They are chosen through a nomination process by students and teachers of Carroll Senior High School. Aleda's Pizza has been generous enough to sponsor Power of One in our efforts and grants the student of the week a free buffet luncheon.

Going "GLOCAL"

This holiday season, The Power of One is "Going GLOCAL". In efforts to make community and global impacts, we will be raising "Change for Change" for the nonprofit organization, Heifer International. Heifer International gives the gift of livestock to third world countries. With the money we raise, we will be able to purchase specific groups of animals to send to a village in poverty. But the gift doesn't stop there. Heifer International ensures a chain reaction by passing on the young of gifted animals to another village. The gift continues in a cycle of life. Our team is collecting change for this charity at the Carroll High Schools as well as in their neighborhoods and communities.

This December, the Power of One Team begins a relationship with a school less fortunate than ours. E. Ray Elementary School fosters education to a community of students whose families have very little. The Power One Club will be providing a Christmas for three young children from E. Ray. These children have lost their mother in the past year and are new to the Everman School District. This family has fallen on hard economic times and have been searching for some form of help. Our team will be giving this family a real Christmas. Through generous donations of toys, clothes, gift cards, and any needs, we will be providing a family with much needed support and kindness.

On December 14th, The Power of One Team will be delivering these gifts to the family by throwing a Christmas party at E. Ray Elementary School.

If you or your place of business would be interested in donating, providing, or giving to CSHS The Power of One Club's many efforts, please contact Power of One President, Lauren McCall, or Carroll Senior High School's guidance office.

Thank you,

Lauren McCall
