TEXAS STUDENT HOUSING

TEXAS STUDENT HOUSING SCHOLARSHIP PROGRAM

Texas Student Housing Authority is a nonprofit instrumentality of the town of Westlake Texas and is chartered under the Texas Higher Education Act. It has offered scholarships since 1995 to graduates of Texas High Schools of which 160 were awarded in 2011 to graduates of our Texas high schools and community colleges. The first scholarship awarded to a Westlake resident was in 2003.

TSH would like to join with you in making these scholarships available to your graduating seniors who are accepted in a Texas college or university in communities in which TSH owns facilities. There are no limits on the number of qualified applicants from any one high school or from your prior graduates enrolled as upper classmen. Incoming college freshmen may apply for scholarships in Austin and College Station. Upperclassmen may apply for those locations as well as Texas Women's University and University of North Texas.

Our standards are high but reasonable, and we do make limited exceptions in extenuating circumstances. The application mailed to your High School contains the details of the process and the requirements. The Board of Directors of TSH reviews applications and makes the final selection of the scholarship recipients. **The postmark deadline for applications is January 31, 2012. Early applications are encouraged as soon as fall semester grades are available.**

We look forward to working with you in identifying worthy, qualified young men and women and rewarding them with these very significant scholarships. We are looking for young people seriously committed to a certain college or university for their education. We have found that awardees that change their minds at a late date prohibit other deserving graduates the opportunity to receive a TSH scholarship.

More information concerning Texas Student Housing and its scholarship recipients is available at www.texasstudenthousing.net. You may also contact the TSH office, 817-490-5744.

ALL TSHA scholarships awarded through this application will be announced to the winning applicants by e-mail or US mail. **Please make sure TSHA is kept informed of any changes in your contact information (e-mail address, mailing address, and/or home/cell telephone number).**
