

# FREE Financial Aid Workshop “Pay Less for College”

## Learn what colleges don't want you to know:

- FAFSA strategies to legally:
  - \* Maximize “need-based” aid eligibility.
  - \* Shield your income & assets.
- Pay for college completely tax free!
- Supercharge your College Savings Plans.
- Get a 4-year degree for less than \$20,000!
- Attend a private school for less than a public—we'll prove it!

## Don't become another victim of the process:

- 6.2 years (average for undergraduate degree)
- Student loan debt passes credit card debt
- Many college graduates are “unemployable”
- 85% of graduates move back home!
