

Mrs. Hallford 5th grade Math

May 12- 16

Ok, there has been no test. Fossil Rim made for a crazy week. Now the test will be on May 9nd on addition and subtraction of unlike denominators and mixed numbers. Finally, next week we will study the conversion of percentages, decimals and fractions.

Accelerated Math

Ok, We have not had our test either. Crazy week. Let's have the test on rates, ratios and proportions on Friday the 9th, Next week we will study the conversion of percentages, decimals and fractions.

Field Day Reminders

1. Students must bring 1 dozen individually wrapped snack items (no peanut butter products).
2. Homerooms—wear your class t-shirt. or a shirt of the same color.
3. Students must bring a sack lunch or order one from the cafeteria.

Thank you all so much for the marvelous snacks and flowers and other gifts I have received. I truly feel appreciated. Know that I love all of my students . They are the best!!!!
