

Eubanks is 10 years old!

***We are ordering special 10th anniversary t-shirts
for the students and staff.***

The price is \$10.00 per shirt. We understand that given the current economic climate and the many costs involved with starting a new school year, not every family will be able to purchase a shirt at full price. Please donate what you can to offset the price of the shirt. It is important to us that every student receives an anniversary shirt so please contact us if there is anything we can do to help.

Complete the order form below. Make checks payable to EIS.
