

What do I do now!

1. Think about your options and plan on choosing three instruments to try during the instrument selection day on March 3.
2. Plan on coming to the band orientation meeting with your parents on February 23 at 7 p.m. in the EIS Band Hall.
3. Attend the Band Selection Day on Saturday, March 3. A music company will be on hand for you to purchase or rent an instrument.
4. Remember, beginning band can only be taken during your 6th grade year. There is no beginning band in middle school.

Note: You will not be enrolled in band until a parent contact is made at one or more of the above-mentioned meetings. Merely marking "band" as your elective choice will not guarantee you to be in band.

Band-The First Year

1. Students will play their first songs within the first six weeks.
2. Students will perform their first concert in October, and will present two major concerts in December and May.
3. Students will perform at the Solo & Ensemble Contest in March and will have the opportunity to bring home numerous Individual medals and awards.
4. Students will compete at the Sandy Lake Funfest in April and have the opportunity to bring home a trophy for the school.
5. And most importantly-students will learn about themselves, challenge themselves to do great things, and have lots of fun!

When the best and the brightest come together, the possibilities are endless.

Eubanks Band Rocks!!

Eubanks Intermediate 6th
Grade Band

BEGINNER BAND IS OPEN TO EVERYONE!

We want you... In Band!

You do not have to know anything about music to be successful in the EIS Dragon Band. As a matter of fact, no prior musical experience is necessary. It is recommended that percussion students have some piano knowledge. This will help them when they are working and learning the mallet instruments. The only things necessary for success in band are a desire to work hard, to challenge yourself, and the courage to try new things.

Band is the largest organization at Eubanks Intermediate, and being a part of it is a GREAT way to make new friends.

Band is awesome!

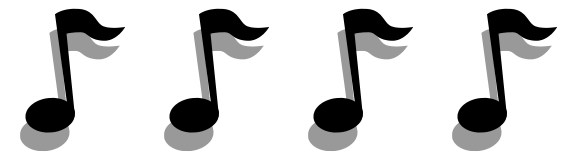

What are my instrument choices?

- Flute
- Clarinet
- Oboe
- Bassoon
- Saxophones
- Trumpet
- French Horn
- Trombone
- Euphonium
- Tuba
- Percussion

Which instrument is best for me?

In March, the EIS band directors will conduct “tryouts” to see what instrument will be best suited for you and your abilities. The band directors will help you decide based on the following criteria: your interests, body size (height, hand size, arm length), facial structure, teeth alignment, basic coordination skills, and your academic success. These criteria, plus your initial sounds on the instrument, all play a very important role in choosing the most successful instrument for your child.

Many students have their heart set on playing a certain instrument and then come to the realization that they might not have the physical ability or aptitude for playing that instrument. In instances like this, we would then counsel the student in determining what instrument would suit them the best and will give them the greatest chance for success.

The goal of the instrument selection process is to build a balanced ensemble and to help build a successful band of which we can all be proud.
