

## Eubanks Intermediate School Library

September 8th, 2010

Dear Parents,

This semester our sixth grade students will be required to read the novel Summer of the Monkeys by Wilson Rawls. Purchasing a copy of the book will enable our students to effectively annotate the text while reading. The library will make the book available for students to purchase for \$8.00. I am pleased to offer you the convenience of purchasing your book directly from the Eubanks Library. A portion of the proceeds will support the library program, too! Please stop by the library on Curriculum Night, Tuesday, September 14th to purchase your copy. If you are not able to visit, please feel free to use the order form and send exact change or a check made payable to EIS to your child's teacher by September 30th in order to purchase a copy. I will be sure to deliver the book to your student in his or her homeroom.

Thank you,

Lucy Drenka,  
Librarian
