***Bluebonnet Reading Program 2011–2012***

May 1, 2011

Dear Parents and Students,

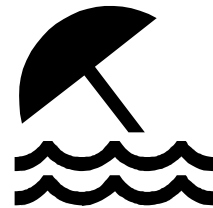

Welcome to the Eubanks Library. My name is Mrs. Drenka, and I'm so excited to be your Librarian! I am anxious to make some new friends with the wonderful fourth grade students coming to us from Old Union, Carroll and Rockenbaugh Elementary schools, as well as new students moving to Eubanks. I always look forward to seeing all my returning friends, too.

I have provided you with a Bluebonnet reading list. If you would like to get a head start on your reading over the summer, you may do so and complete a book report that may be turned into me in the fall. The book report format is on the EIS website's Library page. Activity sheets will be available in the fall if you would rather try one of those.

Your goal is to read 20 books; you must read a minimum of 15 and turn in your reports or activity sheets to earn an invitation to our spring party. At least five books must be from the Bluebonnet list. The rest of the titles may be additional Bluebonnet books, Lone Star books or 6 books of your own choice. Both the Bluebonnet and Lone Star list may be found at [www.txla.org](http://www.txla.org).

When school starts again, we'd love to have you share all the fun, exciting or unusual places you were caught reading this summer. **Bring a picture taken while you were reading;** you could be in your own backyard, or on a sandy beach or just around town. Stop by the library during the first weeks of school and drop off your picture to be part of our display. (Be sure to put your name on the back of the picture!)

Have a great summer!!!

Mrs. Drenka
