IMPORTANT CHANGE TO JES ELECTRONIC COMMUNICATION

We are currently in the process of setting up our campus electronic newsletters to be delivered utilizing Constant Contact, an email and electronic distribution list management program.

Over the next week, we will be importing our JES email distribution list into our Constant Contact distribution list. Therefore, you MAY receive a confirmation email asking you to verify your email address, as well as confirm your desire to continue receiving the *JES News & Updates*.

Keep in mind, the move to Constant Contact does NOT affect the email distribution list that your child's teacher utilizes for classroom newsletters and communications.

Also, in an effort to make sure the communication you receive is "up-to-the-minute", remember to "Friend" Jack D. Johnson Elementary on Twitter and "Like" us on Facebook. Here's a link to our homepage to get you started! http://www.southlakecarroll.edu/johnson_default.aspx
