

Carroll Independent School District proudly presents

The Green Pages

Proud Supporters of the Carroll Dragons

In Carroll ISD, every child counts and every penny counts, too!

The businesses listed in **The Green Pages** are helping us
put dollar\$ back in the classroom.

It Makes Cents to Advertise With Carroll ISD!

Carroll ISD is proud to announce **The Green Pages**. Businesses who decide to partner with Carroll ISD to put dollars back in the classroom will be listed on a special web page link as **Proud Supporters of the Carroll Dragons**. Money collected from these marketing agreements will go directly back into the district's general fund to purchase classroom supplies and materials, pay teacher salaries and assist with the daily operations of CISD schools. In turn, Carroll ISD agrees to promote and advertise **The Green Pages**. It's a win-win for CISD and Dragon supporters!

Businesses and organizations enter into a one-year contract with Carroll ISD and are included in **The Green Pages** for the duration of the contract. This web page provides an alphabetical and topical listing of the Dragon supporters, as well as the business address, telephone/fax numbers, contact information and a direct link to the vendor's website, if applicable. Participation provides each business with one alphabetical listing and up to three topical listings for the same business in **The Green Pages**.

Businesses and organizations who are already proud supporters of the **We Care** employee appreciation program will be identified as **We Care** sponsors in both the alphabetical and topical listings. **The Green Pages** agreement cannot directly conflict with Carroll ISD's ongoing marketing and sponsorship contracts.

The Green Pages agreement provides your business or organization with official use of the trademarked Dragon logo in advertising for one year and the ability to be called "Proud Supporter of the Carroll Dragons." (NOTE: Permission for retail sales, apparel or the printing of novelty items involving the Carroll ISD Dragon logo is separate and not a part of **The Green Pages** agreement).

For just a \$500 annual fee, you can become a part of **The Green Pages** and become an authorized user of the Dragon logo in your business advertising. For an additional \$50 fee, you can have your business logo placed in **The Green Pages**. Another \$50 will give you the opportunity to have an approved promotional or event flyer placed in **The Green Pages**.

To find out how you can support Carroll classrooms, call the Communications & Marketing Department at 817-949-7080.
