

# Auctionpay Online Payments

Online event registration, donations, and more

“By moving more of the work to the web, we greatly increased our efficiency because it did all the record keeping for us.”

Kellee Harris  
Development Director  
Christ the King Parish School

## Try It Yourself

The best way to understand Auctionpay Online Payments is to experience it yourself. Try donating and registering online at:

[auctionpay.com/events](http://auctionpay.com/events)

**auctionpay**

Dedicated to your fundraising success

Auctionpay Online Payments is an easy-to-use, highly customizable and affordable way for nonprofit organizations and schools to collect registrations for events and raise funds online. Auctionpay enables you to provide secure, real-time payment processing online that can be used alone or in conjunction with a live event and with other Auctionpay solutions.

## Customize Pages to Match Your Site

The screenshot shows a registration form for an event. It includes a sidebar with navigation links like 'About Us', 'Events and Projects', and 'Frequently Asked Questions'. The main content area has event details, a registration table, and a 'Total' field. A 'Registration Form' table lists items like 'Individual Ticket(s)' and 'Honor Roll - Table of Ten'. To the right, there are 'Our Sponsors' logos including Wells Fargo, Comcast, KPAM, Portland Online, Portland Tribune, and CCSI. At the bottom, there are 'Next' and 'Reset' buttons and a 'Powered by auctionpay' logo.

Easily give sponsors visibility with clickable links

Specify number of tickets

Invite donors who cannot to attend to make a donation

## Sample Donation Page

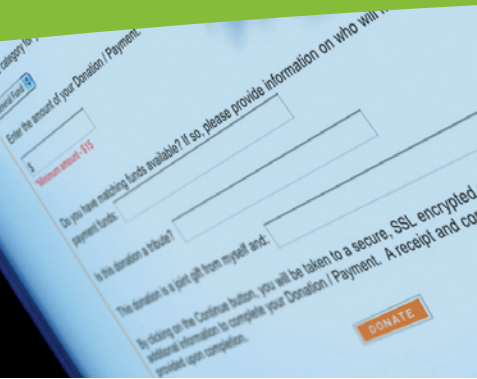

Make joint donation or tribute

Specify recurring or matching donations

Ask guests to be added to your email list

The screenshot shows a donation page for 'Schoolhouse Supplies'. It features a 'Donate' button and a 'Thank you for supporting Schoolhouse Supplies! Please use this secure payment form to complete your transaction.' message. The form includes a 'Donation Amount' field with a dropdown menu showing options from \$25.00 to \$500.00. There are checkboxes for 'I would like to donate anonymously:', 'This is a joint gift from myself and:', 'I would like my donation to recur:', 'I would like to be placed on your mailing list:', and 'I would like to be placed on your email list:'. There are also fields for 'This donation is in tribute to:' and 'Do you have matching funds available?'. At the bottom, there are 'Next' and 'Reset' buttons and a 'Powered by auctionpay' logo.

See list of features on reverse.

“We no longer have to pay high fees in processing our credit card donations through phone entry.”

Kelly Nevins  
Volunteer Center of Rhode Island

## The Only Complete Event Solution

Auctionpay Event Payments is part of the Complete Event Suite, an integrated solution for fundraising events. It also includes Auctionpay Event Software for tracking and managing all benefit event details, and Auctionpay Event Payments for secure and convenient payment processing at the event. By using an integrated solution, nonprofits save time and money and eliminate the need for data re-entry.

## About Auctionpay

Auctionpay works exclusively with nonprofit organizations and schools to improve fundraising events. Auctionpay solutions are easy to use, enhance donor experiences and help increase revenue. Several thousand nonprofit organizations from chapters of national organizations such as March of Dimes, American Heart Association and Ronald McDonald House to local nonprofits and schools have chosen Auctionpay to improve their fundraising events.
