

Old Union Elementary

Today a Reader, Tomorrow a Leader

Welcome to the Old Union Library!

City of Southlake, Texas

Southlake Library

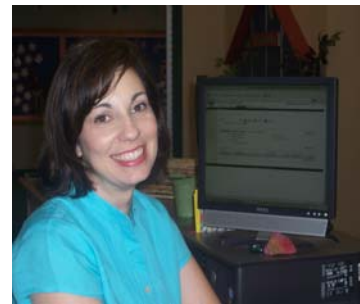

Welcome to the Old Union Library and its many treasures. Our library has over 13,000 books, online resources, plus other items for exploring young minds. It is a privilege for me to be a part of the library and all it has to offer our students.

I am so excited to be the librarian. My name is Jennifer Mitchell, and I have been the librarian at Old Union for three years. Before being the librarian, I taught fourth grade here. I am delighted to be the librarian and always excited to share my love of books and enthusiasm for learning to others. I am a proud graduate of Texas Tech University, and received my Master's degree at Texas Woman's University in Library Science.

Each class will have a scheduled library time and all students will have the opportunity to use the library for self-directed research, reading and classroom projects.

The student library resource page is now available. See Mrs. Mitchell for the username/password you will need to access the different online resources we have available.
