

Fantastic Fourth Grade News

From Grice, Davis, Hill, Henderson, Mertens

What's Going On in the Classroom?

Writing

The 4th graders will make the final touches to their memoirs as they say good-bye to Elementary School. We will share these as we celebrate our time together this last week of school. We would like to invite you to come read your child's memoir immediately following the clap out on Friday. You will be impressed at the memories your child has chosen to write about in his/her first attempt at their life story.

Good Writers Write Every Day! Our fourth graders have worked so hard this year in writing. We would love to see them keep up with their daily writing over the summer. They can continue to write in their current Writer's Notebook or make a new one. Students can write about anything they want in their journal. It would be a great way for them to write about their feelings, emotions, and experiences from the summer. Encourage them to be creative. They can write stories, poems, or use their notebook as a diary! We hope that they will continue to grow as a writer. We know they will have many exciting things to write about this summer. Thank you for giving us the opportunity to work with your little author this year! It has truly been a privilege!

Math

We will continue to work on spatial and logical reasoning using Tangrams in Math this week. The students love manipulating the different shapes to make various objects.

As for the summer, please continue to practice multiplication facts! The fifth grade teachers have said students really need to be solid in those facts before starting the year.

Reading

Book reports are due tomorrow! We can't wait to see all the creative ideas and hear the awesome reports.

Over the Summer...

Slide Show Information

The slide show will be shown to the 4th graders and parents this Friday at 8:00 am in the cafeteria. Jill Cantrell will also post the slide show on the main website Friday. She will post a low quality version, a high quality version and an ipod version - all can be watched online or downloaded (right click and save). It will be at: *alwaysLOL.com/slideshow*

Special Points of Interest

- ♥ Reading Homework due 5/27
- ♥ Aquatics Center Field Trip 6/3
- ♥ Slide Show and Clap Out, 8:00 AM, 6/4
- ♥ End of Year Party at Gym, 2:00, 6/4
- ♥ Have a great summer! We will miss you all!

Happy Birthday!

Chandler Higgins

6/1

Important Information

- ♥ The Field Trip to the Aquatics Center is Thursday, June 3rd. Your child can bring his/her appropriate swimsuit to school on Thursday. We will eat lunch in the hallways at 11:00 before we load the bus and head over to the Aquatics Center. Fun! Fun! Fun!
- ♥ We will be cleaning out desks this week, so make sure your child brings his/her backpack or bag Wednesday, Thursday, and Friday.
- ♥ The fourth graders will take home these materials and are encouraged to work on them during the summer: Science workbooks, Mastering the TAKS Math workbooks, and Motivation Math workbooks.
