

Bluebonnet Reading Club

Description:

The Bluebonnet Reading Club is a great way for 3rd and 4th graders to achieve their Bluebonnet reading goals and experience the pleasure of discussing a great book with friends. Each week the librarian will read a selected Bluebonnet Book to the children in attendance. Those children will receive credit on their Bluebonnet record and will not be required to submit a written Bluebonnet Book Report. Children must be present for the entire book to receive credit. Some books will take several sessions to complete.

Please Note:

Students may attend the club whenever they are interested in the particular book being read by the librarian. Students **do not** have to attend Bluebonnet Club for all three books. Students should attend for the book(s) they want to receive Bluebonnet Club credit.

Mrs. Green will read the following Bluebonnet Books:

The Thing About Georgie

Way Down Deep

The third book will be determined at a later date.
