

SPANISH CLUB for 1st & 2nd Grade

Offered in one group:

Dragoncitos (little dragons)

For 1st and 2nd Graders will meet on Mondays from 3pm to 4pm

The objective at this level is to become familiar with Spanish by learning basic word phrases and customs that support this interesting language.

The kids will be exposed to various methods to learn Spanish. They will get to explore it with all their senses. In addition to reading and writing lessons, they will enjoy the Spanish language through music, foods, crafts, videos and games. We will consider the level of activities according to the kid's progress. Please make sure your child is willing to participate in this classroom environment after his/her school day. The class will be conducted by two parent volunteers, club coordinator and assisting parent. Therefore, poor behavior or constant absence will lead to full dismissal from club without any refunds.

PARENT ASSISTANCE IS REQUIRED. Each corresponding parent will be asked to help with the kids during class and dismissal at least twice during the duration of this club. The days required to assist will depend on the quantity of enrolled kids. You don't have to "hablar Espanol" to help out. However, you do need to commit to come in and help or provide your substitution. A volunteer form with dates will be formatted once you have been confirmed in the class. Please let me know if you are able to come in and help more than the required days. Extra help is always appreciated!

REGISTRATION IS LIMITED – class is limited to 30 students.

You must register with the attached form by the date set for the Club and Activity Sign-Up Day to ensure enrollment. If we receive a greater number of registrations by deadline, a random drawing will be done to determine the students that will participate.

MATERIAL FEE- \$30.00 per student due at time of registration (checks only).

Your check will be returned if enrollment is too high and you were not picked from drawing.

Class will meet in a classroom most of the time. Should this room become busy on a Spanish Club day, the kids will still meet right outside this room to gather our materials and go to an alternative location.

Dismissal- All students will be led to the daily car pick up area. Same procedure applies. 1st and 2nd graders will not be allowed to walk or ride their bikes home alone.

Please call Lizeth Chagnot at 817-898-0289 if you need more information about this club.
