

# Music Makers Club

2<sup>nd</sup>, 3<sup>rd</sup> & 4<sup>th</sup> graders

*Description:*

An informal concert given once a month as students are arriving for school - a friendly performance opportunity for budding musicians to display their skills (of different levels!) for an "audience" of other students who sit and listen with great interest!!! Our music makers always receive lots of applause and encouragement from this experience! Your child will receive a fun reward each time they participate. It is estimated each child will perform at least three different times throughout the year - more or less if you request.

Club members' pictures will be featured on the hallway bulletin board in the "Music Makers Club" section, and their names announced on Dragon Tale News the day before they participate.
