

Recycling Team

Description: Recycling Team is a service opportunity available to all 3rd grade students. The science lab needs a few dedicated students to help collect paper to recycle from each classroom on either Tuesday or Friday mornings for either the fall or spring semester. Adult supervision will be provided when the students carry the paper outside. We may also begin recycling aluminum cans.

Sponsored by: Ginger Jones (Science Teacher)

Grade: 3rd

Where: Science Lab

When: 7:45 – 8:00AM Tuesday or Friday (Thursday if Friday is a holiday). Special transportation is not required as the students begin collecting when their bus arrives.

Dates: Tuesday or Friday

Semester: You will be notified as to the semester your child has been assigned.

Parental Involvement Required: None, although parents are welcome to help.

Dismissal Procedure: Dismissed by Mrs. Jones at 8:00AM to go to class.

Enrollment Limitations: None

Registration Procedure: Complete and return registration form during Club and Activity Sign-up Day, Sept. 7th.
