

# Quest Supplies

## New to Quest Students:

- One white notebook - It must be a 1-inch clear view 3-ring hardback binder (view binders have a clear plastic overlay on the front and spine so you can insert a cover sometimes called a “presentation binder”)
- One package of dividers with “write-on” tabs, 5 or more in a package
- Notebooks with dividers are kept in the Quest room and are used through the 4th grade.

Current Students: Need to bring back their binders they took home at the end of the year.
