

## SCIENCE EXPLORATIONS DAY

On Friday, October 23<sup>rd</sup>, all of Rockenbaugh will participate in a day of fun and exciting science activities. Classes will rotate within their grade level to 5 or 6 "mini-lessons" that last 25 - 30 minutes each. The schedule for each grade level is as follows:

Kindergarten - 8:30 - 10:35

1<sup>st</sup> Grade - 8:30 - 10:35

2<sup>nd</sup> Grade - 8:30-11:00

3<sup>rd</sup> Grade - 8:30 - 11:30

4<sup>th</sup> Grade - 8:30 - 11:30

In the afternoon the Dallas Zoo will present a program for our students.

The assemblies are as follows:

Kindergarten, 1<sup>st</sup>, and 2<sup>nd</sup> grades: 12:45 - 1:35

3<sup>rd</sup> and 4<sup>th</sup> grades: 1:50 - 2:40

Teachers will conduct the morning activities and parent volunteers will help. No special training is required, but we will need parents to come 10-15 minutes early and stay a few minutes at the end to help clean up the room and return supplies to the science lab. We will also need help with preparing supplies (mostly copying and cutting). If you can help, please contact me at [gjones@cisdmail.com](mailto:gjones@cisdmail.com). Please include the grade level, class, student, email, and telephone # so we can contact you.

Special items needed: (Send these to the science lab.)

- two liter bottles (clear or green)
- 35 mm film canisters

Thanks for all of your support,  
Ginger Jones
