

WGES Science Lab with Debra Heath - Live. Learn. LEED.

Green...

It's more than just a color.

All classes will learn about how WGES is a green LEEDer within CISD.

Kinder students illustrate what a green school means to them.

Dates to Remember...
Additional Information Will Be Provided as Needed

All Students:
February – StarLab at WGES

4th Grade Only:

- Dec. 8 Parent/Student Cardboard Boat Orientation Meeting
- Jan.2-30 4th Grade Parent volunteers – detailed information to follow

- Feb. 3 Regatta Morning

Be a LEEDer!

STEM – Science Technology Engineering and Math

Second graders enhance their STEM skills by making LEGO Robots...

... and writing programs to control their robots' actions.

Experiments

Everyone loves experiments. First Graders are working through the scientific method while experimenting with colored liquids.

Earth Day is Every Day!

WGES – Is Applying to be Recognized as a LEED School.
4th graders show us a few reasons why...

Outdoor Classroom

Raised Vegetable Garden Bed

Dig Pit

Interactive Outdoor Music Play

LEEDing the New Frontier!
