How to Study:

You can use this website to find games to practice the words from our book:

http://www.quia.com/shared/search?adv_search=true&tagFromShared=true

To search for games, choose “Latin” for the subject and “Cambridge Latin Course” or “Cambridge Unit II Ed. 4” for text/resource.

Even if you lose the list of words given to you by Mrs. Windham, you can use the quia games to review. There are also several websites that have flashcards for the Cambridge Latin Course.
