Dear Parent,

The State of Texas 2009-10 School Report Card for Carroll High School has been published. This is a report required by the Texas Legislature and prepared by the Texas Education Agency. It is to be provided to the parent or guardian of every child enrolled in the public schools. The report provides information concerning student performance as well as information concerning expenditures, average class size, and student/teacher ratios.

The information contained in the School Report Card is required by state law and is briefly described in the 2009-10 School Report Card Definitions published on our Carroll High School website. The report for the school may or may not have all the information described, because the information presented depends on whether the school is an elementary, middle, or high school.

State law requires that the information be provided for the state, the district, the school, and a group of schools similar to our school. Where possible, the information must be reported by ethnicity and socio-economic status of the students and must include at least two years of results.

You may obtain a hard copy of The School Report Card by contacting my office or can be found on the internet at:

The Report Card Definitions can be found on the internet at:
