

DRAGONS

Mrs. Salomone's Math and Science Classes

May 26-30

Curriculum Overview:

We are getting to the end. It is an exciting time. Please remind your student that behavior still counts!

MATH:

The bridge building has begun! Ask your student about their bridge.

Please continue to practice multiplication facts every day!

SCIENCE:

The Ecosystem Tic Tac Toe project is due on May 30. **NO LATE WORK WILL BE ACCEPTED!**

Be sure to save the science review sheets for the test at the end of the six weeks!
