sessions throughout the day

Dear Parents,

We are pleased to announce that *Aim for Success* will be presenting their program, “**ACHIEVE SUCCESS**” to our grade 7 students. *Aim for Success* is a nationally acclaimed educational organization that promotes sexual abstinence until marriage. This program addresses the health reasons for choosing sexual abstinence including pregnancy, STD’s, Emotional Scars, and the failure rates of contraceptives.

The parent meeting includes a preview of the student program so you can know firsthand what the students will be seeing. This program equips parents with the tools and medical information needed to communicate effectively with their children without embarrassment. Parents learn how, when, and why to talk to their children (toddlers to teens) about sex. *Aim for Success* believes parents should be their children’s primary sex educators, but they have found that many parents don’t know how to approach this critical subject.

Aim for Success is the largest provider of sexual abstinence programs in the United States. They present about 2500 programs each year. Ninety percent of these programs are in public schools across the nation, reaching about 200,000 students and their parents each year. This is a **must see** event for family members, youth workers, counselors, nurses, school administrators and anyone who is concerned about teenage sexual activity in our country.

Come and bring a friend!

***Aim for Success* has received local, state and national recognition for their work in public schools.**
