Dear Parent:

Dawson Middle School received an Exemplary rating for the year 2010-2011. The full report card is required by the Texas Legislature and prepared by the Texas Education Agency (TEA). The report provides information concerning student performance as well as information concerning expenditures, average class size, and student/teacher ratios.

The School Report Card for Dawson Middle School, and the Academic Excellence Indicator System (AEIS) report, is available on the TEA website and can be accessed online at:

<http://ritter.tea.state.tx.us/perfreport/aeis/2011/index.html>

The Academic Excellence Indicator System (AEIS) pulls together a wide range of information on the performance of students in each school and district in Texas every year. This information is put into the annual AEIS reports, which are available each year in the fall.

The reports also provide extensive information on school and district staff, finances, programs, and demographics.
