

Introducing AnComm's 'Talk About It'...

Developed by AnComm, 'Talk About It®' is the nation's first text and online anonymous messaging service. Easy-to-use and implement, 'Talk About It®' is a preventative solution allowing students to comfortably introduce issues to designated faculty members through their preferred medium.

HOW DO STUDENTS LOGIN?

Go to your school's website and click on the 'Talk About It®' logo and use the following information:

- Q **USER ID**- STUDENT ID OR OTHER ID NUMBER
- Q **PASSWORD**- YOUR LAST NAME FOR FIRST TIME LOGIN

HOW DO I COMPOSE A MESSAGE?

Click 'Write a message' on the Getting Started Page or click the 'Compose' button located on the top toolbar, then:

- Q Choose your message Identity; Anonymous/Non-Anonymous
- Q Pick a topic to discuss
- Q Select a faculty member from the list
- Q Type your message
- Q Press send when finished

USE YOUR CELL PHONE WITH THE 'TALK ABOUT IT®' SERVICE

If you have access to your online account, register your cell phone number

- Q Go to your profile page and enter your cell phone number
- Q You will receive a confirmation text message stating your phone is registered with the 'TALK ABOUT IT®' service

If you do not have access to your online account, register your phone via text message:

- Q Text **help** to 662-801-0242
- Q You will receive a reply text with instructions on how to register
