

Central Market's
Dragon Market Day Coming Soon!

**Next Wednesday, November 25th, SHOP TIL YOU DROP ALL
DAY!!!**

Carroll ISD is proud to introduce the first ever "Dragon Market Day." Next Wednesday Nov. 25, shoppers are encouraged to make purchases at the Central Market on East Southlake Boulevard. CISD will receive a portion of the total store sales for that day.

"Dragon Market Days" is a new school fundraising program that no longer requires Dragon families to use Foodie Cards. CISD and Central Market will designate four school shopping dates throughout the year. The money will be divided equally among the 11 PTSO's.

Every department at Central Market is a part of the program including: catering, gift baskets, cooking school, floral, produce, meat market, seafood, beer and wine, specialty foods, healthy living, cheese/ deli, bakery, coffee bar, gelato and Chef's Case. You can pre-order your items to pick-up and pay on the day of the fundraiser. Be sure to shop Central Market and earn Dollars for Dragons. The three remaining dates in 2010 will be announced soon.
