

Athletic Media / Scout Pass Request

Each Carroll ISD Athletic Media Pass admits members of the media for the express purpose of reporting Carroll ISD athletic events for newspapers, sports publications, radio, and TV. All Carroll ISD athletic contests and events are the property of the Carroll ISD. No broadcast, live or delayed, radio, television, or webcast transmission is permitted without the express, prior written permission of the Carroll ISD Director of Athletics. Use of photography or images captured at or from any event for any commercial purpose is strictly prohibited without prior approval from Carroll ISD. The use of the media pass for commercial purpose will cause forfeiture of the pass. Organizations requesting passes are responsible for proper use by those issued passes by the organization. Carroll ISD reserves all rights to all Cisd athletic contests or events.

All pass requests must be submitted to Cisd by 12:00 noon on the Thursday preceding the scheduled event. Application does not guarantee acceptance. A verification check will be conducted. Applicants will be notified of the issuance of the requested Athletic Media / Scout Pass each week after the close of the above application deadline.
