## Attendance and Enrollment

In order for your child to obtain an optimum education, it is important that he/she attend school regularly. As discussed in the District handbook, for an absence to be considered as extenuating circumstances, the student must submit written explanation to the school attendance office prior or immediately upon return from the absence.

Each semester, a student is allowed no more than four absences per course due to **EXTENUATING CIRCUMSTANCES**. Responsibility for requesting consideration for **EXTENUATING CIRCUMSTANCES** rests with the student and his/her parent.

Alternative ways, such as make-up hours at designated times, will be authorized by a school administrator for students who need to make up work and/or regain time lost because of excessive absences.

Completion of class assignments and attendance to Friday night detention will be major criteria in the student's appeal to the Campus Attendance Committee for credit. A student will have five (5) days following the end of the semester to appeal to the committee for credit and/or serve all assigned make-up work. Credit can only be awarded to a student who is passing the particular course.

When a student has been denied credit for one semester of a two-semester course, no credit will be awarded until the student successfully completes both semesters.

A student shall not participate in an extracurricular activity on a given day unless they are in attendance one-half day, excluding extenuating circumstances. One-half day is defined as two periods (blocks) excluding the activity period (block).

Any student **missing more than 20 minutes of a class** will be considered absent for that period.

### CHECKING IN DURING THE SCHOOL DAY

Students arriving at school after the school day has begun (including passing and lunch periods) must check in through the attendance office before reporting to class.

### ILLNESS DURING THE SCHOOL DAY

If a student becomes ill during the school day, he/she must report to the nurse's office. A student who becomes ill and does not report to the nurse or main office, but goes elsewhere or leaves school without checking out, will be considered truant from classes missed.

### MAKE-UP WORK FOR ABSENCES

The student is responsible for making up any work missed. It is the student's responsibility to go to the teacher after being absent and find out what has been missed and to make the effort to catch up on the material missed. For each day of absence from a course, students will have one class meeting day to complete make-up assignments. Refer to Grading and Reporting Handbook.

### LATE WORK

At the beginning of each school year, teachers and departments will communicate to parents and students in writing their guidelines regarding late work.

### TARDIES

Since instructional time is crucial to student success, it is important that class begin on time with no interruptions. Students should plan their activities during the twelve (12) minute passing period so they are in class and prepared for the lesson to begin when the tardy bell rings.

#### **Consequences for tardies to each class:**

2 <sup>nd</sup> tardy	2 hours Friday night detention hall.
3 <sup>rd</sup> tardy	2 hours Friday night detention hall.
4 <sup>th</sup> tardy	4 hours Friday night detention hall, parent phone conference
5 <sup>th</sup> tardy	4 hours Friday night detention hall and mandatory parent conference

**Additional tardies:** Consequences may include, but not be limited to: parent conference, disciplinary consequences, community service, mandatory tutorials, behavior contract, referral to Student Assistance Team, suspension from school, or referral to Alternative Education Program.

### COLLEGE VISITS:

CSHS Students are allowed two (2) College Visits per year without the absence counting against exemptions. Students are allowed 2 College visits their junior year and 2 their senior year. Necessary documentation **MUST** be obtained prior to the visit and returned to the Attendance Office.

## WHEN YOU ARE ABSENT

Parents should call the school at 817.949.5800 before 9:30 a.m. on the first day of a student's absence to report the students' name, grade, reason for absence, and duration of the absence to the attendance secretary. Students confirmed in this fashion may report directly to class upon return to school. All other students must report to the attendance office by 7:45 a.m. with a note from a parent. If the parent does not call or send a note within three days, the student will be considered truant. All students who have been absent must report to the attendance office to secure an attendance slip.

## General Information

#### Semester Exam Exemption Policy

1. Seniors are eligible for exemptions from all semester exams in both the fall and spring semesters. A semester average of 85 must be attained in the course for the entire semester for the exemption to be considered.
2. Juniors are eligible for exemptions for all semester exams in the spring semester only. A semester average of 90 must be attained in the course for the entire semester for the exemption to be considered. All courses, including electives, will be considered for exemptions.

3. No student may be exempted, regardless of reason, if more than two absences have been accumulated during the semester; excluding two (2) college visitation days and any absence due to school-related activities.
4. Exam exemptions will not be granted if there has been any placement into On-Campus Suspension, Out-of-School Suspension, or Discipline Alternative Educational Placement during the applicable semester.
5. Exam exemptions will not be granted in any course if the student has any unexcused absences or trancies for the semester involving the exemption request.
6. A student who is tardy to any class more than three (3) times in either semester, regardless of the reason, will lose all exemptions from that class for that semester.
7. All assignments, projects, books, and fees must be completed and cleared BEFORE any exemption to any final exam will be granted.
8. The attendance-counting period for each class concludes the last class period immediately preceding the final exam date for that class.
9. Exemptions may be waived by student and/or parent request. If taken, the score **WILL** count toward the final grade in the course.
10. Carroll Senior High students taking courses at the Carroll High campus will be eligible for exemptions provided they meet the stated criteria.

### LOST AND FOUND

Neither the School District, Carroll Senior High, nor the faculty or staff of Carroll Senior High will be responsible for any personal possessions that a student may choose to bring to school. These items may include, but not be limited to, electronic or battery operated devices, money, purses, wallets, jewelry, or clothing.

Students who find lost articles and textbooks are asked to bring them to the office where they can be claimed by the owner. Clothing and other articles that are not claimed by the end of each semester are turned over to a charitable organization.

### PARENT TEACHER CONFERENCES

Parents are encouraged to contact teachers by telephone or email regarding the academic progress or classroom behavior of their student. To arrange for a conference with a teacher, the parent should telephone at least one day in advance to schedule to meet during the designated conference period of the teacher. Giving advance notice to the teacher allows for adequate preparation and research of the students records.

## **SCHEDULE CHANGES**

Schedule changes will be limited to those judged by a counselor/school administrator to be within school guidelines and in the best interest of the student. No schedule changes will be made except for urgent and substantiated reasons. If a student believes that he/she has been incorrectly placed in a class, a request for a change may be made in the counselor's office.

### **Elective Course Changes**

Elective courses include any course not required for graduation. Students will not be permitted to change from one elective to another after the 2<sup>nd</sup> week of school.

### **Required Courses for Graduation**

Students are not permitted to drop required courses for graduation after the semester begins.

### **AP/PAP/Honors Courses – Integrated Double Block Honors Courses**

Approval for exiting an AP/PAP/Honors class will be determined by the student's performance, and teacher's recommendation. In the event there is not an appropriate course to which to exit, or in the event class loads in other courses are negatively impacted, students will be expected to remain in the AP/PAP/Honors class.

Students may drop from an AP/PAP/Honors course to a regular course if a corresponding regular course is offered and there is room in the regular class. Both the size of specific classes and overall teacher loads will be considered in determining if there is available space. Timelines for dropping are as follows:

- At the end of the first 4 weeks of a grading period with parent approval and teacher/parent contact.
- At the end of the first quarter grading period.
- At the end of the first semester with parent approval and teacher/parent contact.

**Students may not audit courses.**

## **STUDENT TRAVEL**

When it is necessary for students to take trips in connection with school activities, the following regulations will be in effect:

1. All students must travel in school-approved transportation. Any student who does not travel by school-approved transportation will not be considered as part of the group.
2. All students must return by school-approved transportation.
3. Students on trips are expected to adhere to the guidelines set forth in the CSHS Trip Expectations packet that will be provided prior to any travel.
4. A student who fails to observe these guidelines may lose the privilege of making such trips; and, in addition may be subjected to disciplinary action.
5. Students missing class to attend any school-organized function are responsible for turning in all work due in those classes.

## **VISITORS**

With the exception of parents and other pre-approved adults, visitors are prohibited during the instructional day.

## **Academics**

### **ADVANCED PLACEMENT COURSES**

The College Entrance Examination Board Advanced Placement program is a challenging plan for highly motivated and capable students. A wide variety of Advanced Placement courses are offered at Carroll Senior High. These courses provide our students with the opportunity to earn college credits by successfully passing the AP exam.

With a successful score, students may earn three (3) to six (6) hours credit per course at most colleges and universities. Even if a student elects to pursue other options for advanced credits, such as local campus placement exams given by most universities, the AP courses will have developed and sharpened many skills that will enable the student to compete more successfully at the college level. AP courses are recommended for the more advanced student.

### **EXAMINATIONS FOR CREDIT**

#### **Credit by Exam for Acceleration**

All exams for credit are administered at the district office. For more information go to the CISD website, Accountability and Assessment Department, [Grade Acceleration/Credit by Exam](#) link. **The student must receive at least an 80 to receive credit and this score will be reported on the student's transcript but will not calculate in GPA.**

#### **Credit by Examination (CBE) for Credit Recovery**

Students may gain credit for a course in which they have had previous instruction but failed to get credit. Students must score at least a 70 on a test covering the appropriate essential elements. Students may not use the CBEs to gain credit lost due to excessive absences. The score will be indicated as a P for passing and will be reflected on the student's transcript. Refer to the CISD website, Accountability and Assessment Department, [Grade Acceleration/Credit by Exam](#) link.

## CORRESPONDENCE/ONLINE COURSES

Students may earn up to two (2) credits, and students wishing to enroll in correspondence/online courses **must consult with their counselor prior to enrollment or credit may not be awarded.**

## REPORTS

### Grade Reports

Grade Reports inform parents of their student's academic progress. Grade reports will be posted for students on a quarterly basis throughout the year. Grade reporting is reflected numerically:

A	100-90	B	89-80	C	79-70	Below 70	Failing
---	--------	---	-------	---	-------	----------	---------

The final grade is determined by the average of both semesters. The overall average must be 70 or above to obtain credit. **A student must pass the second semester to pass for the year and earn credit.**

### Progress Reports

The district shall provide a notice of progress to the parent or guardian of every student. The grades will be determined at three-week intervals or on a designated date. The actual numerical average should be posted on the progress report form or in online format. When a student's grade drops from passing to failing after the third-week report, teachers shall:

1. Notify parents. (Parents may monitor their student(s) grade through Skyward)
2. Ensure that any signed progress reports, accurate records of contact, or attempts to contact parents of students who are failing be kept on file by the teacher for the current school year.

A teacher may require any student whose reporting period grade average is below 70 or borderline to attend tutorial sessions.

## RETESTING POLICY

- Students who receive a failing score on a test may, upon request, be allowed to retake an alternative form of assessment covering the failed material.
- The maximum achievable score on this alternative assessment will be 70 percent. Scores on the retest that are 70 percent or above will be recorded as a 70. If a student scores less than 70 percent, the actual score will be recorded. If the score on the retest is not greater than the score on the original attempt, the higher score from the original attempt will be recorded.
- All retesting must be completed within one calendar week from the date that tests are returned to students.
- Retesting will be scheduled at teachers' discretion.

## GRADE POINT SYSTEM

### Numerical System

The grade point average (GPA) of a student is to be determined by using semester grade points as reflected on a student's report card and Academic Achievement Record (AAR) Card (transcript), 0-100 points. To determine a student's GPA, the total number of semester grade points will be divided by the number of semesters accumulated in grades 9 through 12 and for courses taken in middle school for high school credit. Students will be ranked using a 100+ point system. A weighted or non-weighted 4.0 GPA will be figured and used when requested by colleges and for the sole purpose of college admissions.

### Course Inclusion/Exclusion

All courses taken for state-awarded credit will be counted, including correspondence (limited to a maximum of two (2) credits), summer school credits, Credit By Exam (CBE), and Advanced Placement Exam for credit. Pass (P) / Fail (F) and local credit courses will be excluded from the GPA. Two (2) and three (3)-credit vocational courses will be included two or three times respectively in the semester averages. All semester grades are included when a student repeats a failed course.

### Transfer of Credits

Credits and grades earned through non-accredited private schools or home schooling will not transfer. Students may earn credit for these courses through Credit By Exam (CBE). The maximum two (2) credit limit will be waived for students transferring credits from home schooling or non-accredited schools.

### Weighting and Ranking

Because of the considerable difference in the difficulty level of the various courses taught and to ensure that students continuously strive to challenge themselves at their highest level, the weighting system described below will be used. The weighting system will not affect the numerical average computed for any student nor change any actual grade earned and recorded on the AAR or official transcript. ***This weighted system will be used in determining rank in class only.***

1. Advanced Placement Courses will have ten points added per semester, while Pre-AP and Honors classes will have seven points added.
2. Correspondence/online courses (only those approved by CISD and counselor) will be recorded as Pass/Fail and will not be calculated into the GPA.
3. Transfer credits for Honors, AP, and Pre-AP courses from accredited schools will be weighted only if the sending school weighted these courses and if we offer these as Honors courses. These courses will be weighted using our own system.
4. Self-contained/Project Life and foreign exchange students will not be ranked.

## **GRADE POINT AVERAGE AND RANK IN CLASS**

Grade Point Averages (GPA) and rank in Class (RIC)\* will be figured and reported to students as follows:

1. A fourth semester GPA will be computed on all students upon completion of their sophomore year. This GPA will be updated for students at the end of each subsequent semester.
2. At the end of the seventh semester, each student's GPA will be calculated. The seventh semester GPA will hold for graduation recognition purposes except for the valedictorian and salutatorian.
3. Grades earned through the end of the senior year are used to compute the final GPA in Class.

\*NOTE: CISD reports the rank in class only for students in the top 10% of their class per Texas law.

## **VALEDICTORIAN/SALUTATORIAN**

The graduating seniors with the highest and second highest numerical rank will be designated as the Valedictorian and Salutatorian, respectively. These ranks will be calculated and determined on the GPA at the end of term 3 grading period. In the event of a tie for Valedictorian, the students will share the honor and no Salutatorian will be designated.

### **Residency Requirement for Valedictorian/Salutatorian**

In order for students to be eligible to receive the top honors of Valedictorian or Salutatorian, a student must have been in attendance at Carroll Senior High for all of the two consecutive years preceding graduation (four full semesters of consecutive course work must be taken at Carroll Senior High). In the event that a student has the highest or second highest rank and does not meet the residency requirement, the student will be recognized third in the class.

### **Honors Graduates**

Seniors will be given recognition at Commencement in accordance with board policy.

## **PHYSICAL EDUCATION EQUIVALENTS AND WAIVERS**

Several courses that include physical activities may be substituted for the one required unit of Physical Education. Those courses are Athletics, the fall semester of Drill Team, Cheerleading, Marching Band, and/or Show Choir.

## **Graduation Requirements**

The graduation requirements for the class of 2018-2019 are detailed in the Academic Planning Guide. The Academic Planning Guide is available on-line.

## **HONORS, PRE-AP AND AP COURSES**

Honors, PreAP, and AP courses have specific criteria for entry of highly motivated students; a definite scope and sequence that reflects the nature of the subject; a differentiated curriculum that includes a wider range and greater depth of subject matter than those of the regular course; an emphasis on higher level critical thinking skills; provision for creative productive thinking, a stress on cognitive concepts and processes; instructional strategies that accommodate the learning styles of the students involved; and independent as well as guided research.

Students enrolling in Honors, PreAP and AP courses must understand the expectations and rigor of the advanced curriculum. A description of the curriculum and requirements for all courses is in the Academic Planning Guide; you may also access the Guide on the CSHS website, Guidance page. The requirements for automatic admission in an Honors, PreAP or AP course are:

At least a 72 yearly average in this year's Honors, PreAP or AP level course in the requested subject area.

At least a 92 yearly average in this year's regular level course in the requested subject area.

If a student fails to qualify on the above criteria, he/she may submit a waiver requesting the Guidelines for Honors, PreAP and AP placement be waived. **NO WAIVERS WILL BE ACCEPTED WITH A YEARLY GRADE AVERAGE BELOW 80.**

## **STUDENT CLASSIFICATION (to be determined in the Fall only)**

Senior .....	18 Credits including English I, II, & III
Junior .....	14 Credits including English I and II

## **TESTING SCHEDULE**

Testing schedules are periodically revised; notification of scheduled tests will be made prior to testing.

### **PSAT – Juniors**

Wednesday – October 10, 2018

### **EOC Testing -**

US History - Grade 11 only - May 8, 2019

**Additional tests administered throughout the year.**

## **SUCCESS SCHOLARS**

The CISD Success Scholars Program encourages students to take a challenging curriculum, as defined in the grades 9-12 CISD Academic Planning Guide, and to perform 100 hours of approved community service while maintaining a 70 or higher average in each course. Students fulfilling these criteria will be locally recognized as Success Scholars upon graduation from high school.

## **ANNOUNCEMENTS**

Announcements will be made once a day via KDGN at the end of second/sixth block. Sponsor approval is required. Only school related announcements can be made.

## **Student Services**

### **COUNSELING**

#### **Academic Counseling**

Students are encouraged to talk with a school counselor, teachers, and administrators in order to learn about the curriculum, course offerings, graduation requirements, and the differences between the various graduation program requirements. All students in grades 11-12 and their parents shall be notified annually about the recommended courses for students preparing to attend college. Students who are interested in attending a college, university, or training school or pursuing some other advanced education should work closely with their counselor so that they may take the high school courses that will best prepare them for further work. The counselor can also provide information about entrance examinations required by many colleges and universities, as well as information about financial aid and housing.

### **Personal Counseling**

A school counselor is available to help students with a wide range of personal concerns. The counselor is familiar with community resources and may direct students to other sources of information and assistance. Students who wish to discuss academic or personal concerns with a counselor should schedule an appointment in the office.

### **HEALTH CLINIC**

If a student becomes ill, the parent or a parent's designee will be contacted to pick up their child. It is important that all telephone numbers are accurate to allow for immediate contact of a parent. We also request that a parent not send a student to school if he/she is ill or has a fever.

### **LIBRARY**

The library should be an important part of school life. All books, with the exception of reference books, may be checked out for a period of two weeks. Magazines are for use in the library only, except with special permission. Reserve books may be checked out for one period per day or overnight and returned the next morning no later than the end of first period. The borrower is responsible for returning books in good condition.

### **LOCKERS**

Every student is assigned a locker upon request and is expected to use only this locker. The school is not responsible for personal items in the locker.

### **FOOD SERVICE**

In using the lunch room service, all trays, dishes, and silverware must be placed in the proper places. There will be no lunch charges. Students are not allowed to leave the school grounds during the lunch period without permission. CSHS is a closed campus for lunch. Students who do not adhere to this policy will be subject to disciplinary penalties.

### **STUDENT IDENTIFICATION CARDS**

Student identification cards will be produced at the beginning of the school year. This card will serve not only as identification during the school day and at extra-curricular activities, but will also give the students access to all exterior doors during school hours. In addition, the id cards will enable students to check out textbooks and materials from the library. **There will be a \$10 fee for replacement id cards.**

## TELEPHONE

With permission, students may use the telephone in the office for emergencies. Students will not be called to the telephone during class period except for an emergency.

Telephone messages for students will be given to the student only if the message is from the parent and only if the message involves an emergency. Family illness or a death in the family constitutes an emergency.

## TEXTBOOKS/CALCULATORS

Textbooks and calculators are the property of the state/district and are assigned to the students. Students are accountable for all damage to textbooks and/or calculators issued to them. Fines will be assessed according to the amount and type of damage.

## TRANSPORTATION

Carroll I.S.D. presently offers transportation, for a district fee, to all students who wish to ride the bus. The students are expected to exhibit the appropriate behaviors that enable the district to transport the students in a safe and timely manner. A student being transported in school-owned vehicles is required to comply with the Code of Conduct. Riding the bus is a privilege that can be revoked.

All bus discipline consequences shall be implemented with consideration given to the student's age, maturity level, and attitude. Frequency of offenses will also be considered. In the case of serious misconduct that endangers the safety of other passengers or the driver, the driver shall have the authority to return the student to campus, and the parents will pick up the student from the campus. The driver may also call for law enforcement assistance. The principal and parents will be notified of the situation as soon as possible.

## Discipline Management Plan

### Goals:

1. To provide every student an orderly, safe, timely means of transportation.
2. To provide drivers with an environment in which they can transport students in an orderly, safe, and timely manner.
