

Carroll Independent School District

Carroll Senior High School

2019-2020 Campus Improvement Plan

Accountability Rating: A

Distinction Designations:

Academic Achievement in English Language Arts/Reading
Academic Achievement in Mathematics
Academic Achievement in Science
Academic Achievement in Social Studies
Postsecondary Readiness

Mission Statement

To provide a caring and creative learning environment that promotes excellence,
fosters integrity and encourages each student to reach his or her academic,
extracurricular and social potential.

CSHS Mission

At CSHS, we will provide an excellent educational experience for each student!

Vision

Creating an environment that foster excellence.

Core Beliefs

- Students learn in different ways.
- Students learn best in a nurturing, respectful environment.
- Students learn best when they take responsibility for their own learning.
- Students make relevant connections between classroom instruction and societal needs to become life-long learners.
- Students succeed because of high expectations.

Comprehensive Needs Assessment

Demographics

Demographics Summary

- Approximately 1386 students attending CSHS.
- 1% of students are on Free Lunches; 2% of students are on Reduced Lunches.
- 75% White; 4% Hispanic; 1% African American; 17% Asian; <1% American Indian; 1.6% Other.
- campus of 136 staff consisting of Administrators, teachers, instructional aides, office support staff, cafeteria and custodial support
- very affluent community with great support from all families

Demographics Strengths

Programs are in place to help at-risk students in demographic groups who continue to struggle academically.

socio economically supportive for all programs

Problem Statements Identifying Demographics Needs

Problem Statement 1: recognizing and supporting all student groups in a diverse manner **Root Cause:** find teachers and staff to be supportive sponsors of diverse student groups

Student Academic Achievement

Student Academic Achievement Summary

- Student assessment results indicate the need to focus on all EOC tested subjects especially when reviewing through the 4 Indexes on the accountability system
- Student assessment results indicate the need to focus on subgroup achievement particularly in all EOC tested subjects
- Student assessment results indicate the need to focus on 11th grade performance on STAAR.
- PreAP and AP classes need to aim for all students to hit Level 3 on all tests.
- Meet or exceed expectations on PSAT, SAT, or ACT exams
- continue to achieve all distinctions that campus is able to qualify for

Student Academic Achievement Strengths

100% of all students tested in US History passed or met standard

tested 1320 students with AP exams and close to 3000 AP test

testing 350-400 students twice per month in either ACT or SAT

Problem Statements Identifying Student Academic Achievement Needs

Problem Statement 1: supporting the needs for students on AP exams and helping students be creative with their AP testing calendar **Root Cause:** students taking 8-10 AP exams and making the schedule work on testing days

School Processes & Programs

School Processes & Programs Summary

- 100% of Carroll Senior High School teachers and paraprofessionals met Highly Qualified requirements for the 2019 - 2020 school year.

Carroll Senior High School has a mentoring program for new teachers. The program is divided into two categories, teachers new to the district and teachers new to the profession. Teachers that are new to the district, but have experience in the profession are mentored for one year and teachers that are new to the profession are mentored for two years.

Carroll ISD will attend job fairs in the spring to recruit highly qualified teacher for the 2020 - 2021 school year.

- - Student assessment results indicate the need to focus on EOC tested subject, ACT, SAT, Dual credit and AP Test
 - Student assessment results indicate the need to focus on subgroup achievement particularly in EOC tested subject.
 - Student assessment results indicate the need to focus on 11th grade performance on ELA and writing
- - Parent volunteers and community mentors are needed
 - Parent awareness of STAAR requirements
 - Strengthening communication with parents
- - Carroll Senior High School's focus for the 2019 - 2020 school year....
 - is to have teachers collaborate, discover and implement more research-based instructional practices focused on content area standards through PLC's.
 - Teachers are aligning classroom levels of rigor to match the rigor of the new STAAR Assessment, ACT, SAT, AP Test.
 - The leadership Team recognizes the need to ensure strong instructional practices at all-levels with an emphasis on addressing the performance of our sub-populations.
 - teachers recognizing the social emotional struggles of students
 - meeting the diverse needs of our students in a diverse community

School Processes & Programs Strengths

- 2019 Graduation Rate is at 100%
 - 2019 Completion Rate was 100%
- Over 96% of staff like the work they do, feel good about what they accomplished, like the people they work with, and can depend on their coworkers,

and feel loyal to their team.

- Department Luncheons provided by principal each month to recognize a department
- TEAM luncheons provided by the principal to promote continuous camaraderie within the campus
- Sunshine committee involved in fostering positive culture and climate
- Para and professional of the month recognition
- Executive Council group performed by principal to increase positive things and creating new ideas

Teachers 1-5 Years Experience 5.0%

Teachers 6-10 Years Experience 45.0%

Teachers 11-20 Years Experience 35.0%

Teachers Over 20 Years Experience 15.0%

- Overall, our main strength is the level of innovation and alignment with the state standards already in place in our district.
- Block Schedule has given students the ability to pass EOC tests through accelerated instruction while staying on Recommended/Distinguished Achievement Graduation Plan.
- Making response to parent emails and phone calls a priority (within 24 hours).
- Improvement of School Messenger to help keep parents informed of high school information.
- Providing a variety of ways for parents to communicate and be involved in their child's education as stated in the summary.
- Strong PTA Organization and strong booster clubs.
- Daily use of social media has greatly improved communication to parents and students
- curriculum night
- college fair night 2-3 times per year
- coffee with counselors
- Campus Diversity Council
- Campus Site Based Committee

Professional Learning Communities allows for daily collaboration with teachers

Monthly staff meetings that have a professional development component at each meeting

Technology professional development on a monthly basis

Monthly department meetings implementing PD

CDC meetings 3 times per year to involve all stakeholders

Campus Diveristy Council meeting 2-3 times per year

Implementation of Rachel's Challenge and HOPE Squad

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: students transitioning to the senior high that have not passed EOC for content areas other than US **Root Cause:** transition every 2 years to a new campus

Perceptions

Perceptions Summary

- In all areas of the A's (academics, arts, athletics) CSHS creates an environment that fosters excellence
- Students are challenged to do thier best and expect CSHS staff to raise the performance of each student
- CSHS provides a school environment that is safe and supportive of learning
- Providing Rachel's Challenge and HOPE Squad to assist with Resiliency Project
- Campus Diversity Council to assist with diverse student needs
- Provide safety tip lines for students to report anonymously
- 96% attendance rate
 - Parent volunteers and community mentors are needed
 - Parent awareness of STAAR requirements
 - Strengthening communication with parents

Perceptions Strengths

very positive and safe learning environment

college prep campus

high acheiving academically

large percentage of student body involved in extra curricular

all staff very supportive of student needs

Problem Statements Identifying Perceptions Needs

Problem Statement 1: addressing the growing diversity population **Root Cause:** increasing diverse group of students in various backgrounds, sexual orientation and ethnicity..

Priority Problem Statements

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Current and/or prior year(s) campus and/or district improvement plans
- Campus and/or district planning and decision making committee(s) meeting data
- State and federal planning requirements

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Accountability Distinction Designations
- Federal Report Card Data
- PBMAS data

Student Data: Assessments

- State and federally required assessment information (e.g. curriculum, eligibility, format, standards, accommodations, TEA information)
- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR End-of-Course current and longitudinal results, including all versions
- STAAR Released Test Questions
- Texas English Language Proficiency Assessment System (TELPAS) results
- Advanced Placement (AP) and/or International Baccalaureate (IB) assessment data
- SAT and/or ACT assessment data
- PSAT and/or ASPIRE

Student Data: Student Groups

- STEM/STEAM data
- Dyslexia Data

Student Data: Behavior and Other Indicators

- Completion rates and/or graduation rates data
- Annual dropout rate data
- Attendance data
- Mobility rate, including longitudinal data

- Discipline records
- Violence and/or violence prevention records
- Tobacco, alcohol, and other drug-use data

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact

Parent/Community Data

- Parent surveys and/or other feedback
- Parent engagement rate
- Community surveys and/or other feedback

Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Budgets/entitlements and expenditures data
- Study of best practices

Goals

Goal 1: Provide innovative and authentic instructional experiences that challenge and empower all students to be active participants in their own learning.

Performance Objective 1: By monitoring the progress of all student groups (race/ethnicity, special education, ELL, economically disadvantaged), strengthening the instructional core, and implementing RtI with fidelity, Index 2 will reflect a 2% increase in the percent of tested students meeting or exceeding one year of academic progress, and Index 3 will continue to exceed the state performance and show growth over district performance in 2018-2019

Summative Evaluation 1:

Strategy Description	Monitor	Strategy's Expected Result/Impact	Reviews			
			Formative			Summative
			Nov	Jan	Mar	June
1) Evaluating results from benchmarks exams and department test during each grading period	Core teachers Department Chairs Assistant Principals Principal	documentation of CBA's end of the grading period grades report cards formative and summative assessments EOC results				
						

Goal 1: Provide innovative and authentic instructional experiences that challenge and empower all students to be active participants in their own learning.

Performance Objective 2: By providing professional learning opportunities for staff, each student will be provided with engaging, relevant, and meaningful learning experiences.

Evaluation Data Source(s) 2: Professional development sign in sheets

Summative Evaluation 2:

Goal 1: Provide innovative and authentic instructional experiences that challenge and empower all students to be active participants in their own learning.

Performance Objective 3: By creating standards to more effectively prepare students to be successful in post-secondary education and career choices, students will be more college and work ready upon graduation from CISD.

Evaluation Data Source(s) 3: Database with partnerships formed

Summative Evaluation 3:

Strategy Description	Monitor	Strategy's Expected Result/Impact	Reviews			
			Formative			Summative
			Nov	Jan	Mar	June
1) Number of AP exams given, PSAT, ASVAB, College Fair, Guest speakers brought into classes	Teachers, Department Chairs, Administration and Counselors	documentation of CBA's end of the grading period grades report cards formative and summative assessments EOC results College Board - AP results				
						

Goal 1: Provide innovative and authentic instructional experiences that challenge and empower all students to be active participants in their own learning.

Performance Objective 4: Increase technology integration into the classroom through a detailed staff development plan that integrates 21st century skills.

Evaluation Data Source(s) 4: ITS will work with staff to better understand ways to integrate technology into the classroom.

Summative Evaluation 4:

Goal 1: Provide innovative and authentic instructional experiences that challenge and empower all students to be active participants in their own learning.

Performance Objective 5: By implementing the district curriculum along with strategies and initiatives to strengthen the instructional core, 90% of tested students will meet or exceed the Level II Standard and 70% will meet the Postsecondary Readiness Standard as measured by STAAR/EOC.

Evaluation Data Source(s) 5: Level II Phase-in I and Level II Final Performance on STAAR / EOC Exams

Summative Evaluation 5:

Goal 2: Cultivate a secure, supportive, and nurturing environment where everyone feels safe and valued.

Performance Objective 1: 100% of teachers will be highly qualified during the 2018 - 2019 school year.

Evaluation Data Source(s) 1: Highly qualified survey reports from HR Humanex (Ventures) data from interview Themes

Summative Evaluation 1:

Goal 2: Cultivate a secure, supportive, and nurturing environment where everyone feels safe and valued.

Performance Objective 2: 100% of new teachers will receive mentoring and support during 2018 - 2019 school year

Evaluation Data Source(s) 2: New teacher training data and mentor support documentation.

Summative Evaluation 2:

Goal 2: Cultivate a secure, supportive, and nurturing environment where everyone feels safe and valued.

Performance Objective 3: Through implementation of an effective discipline management plan and providing a safe, secure, and orderly learning environment, we expect to maintain an extremely low number of discipline incidents across the campus.

Evaluation Data Source(s) 3: Safety Audit Reports and discipline reports.

Summative Evaluation 3:

Strategy Description	Monitor	Strategy's Expected Result/Impact	Reviews			
			Formative			Summative

Addendums

Appendix A

COMPLIANCE ADDENDUM 2018-19

Coordinated Health - SHAC Council

Objective: Support Administrative Guidelines to School Wellness Policy FFA Local including strategies for implementation of Coordinated School Health Program at all schools.

Strategies	Resources	Staff Responsible	Evaluation
<p>K-12 campus improvement plan shall include any coordinated school health activities and their evaluation as well as methods to ensure that students participate in the school's required physical activities. Include objectives and strategies based on:</p> <ol style="list-style-type: none"> 1. Student fitness assessment data 2. Student academic performance data 3. Student attendance rates 4. The percentage of students who are educationally disadvantaged 5. The use and success of any method to ensure that students participate in moderate to vigorous physical activity 6. Any other indicator recommended by the local school health advisory council. 	Curriculum	Coordinator of School Health Campus Admin. P. E. Teachers	Evidence that Demonstrates Success is performance on state fitness tests.

Discipline Management - Safe Environments

Objective: Continue to vigorously enforce policies and procedures which promote a safe and orderly environment to ensure security effectiveness district wide. (Discipline management SB 1)

Objective: Continue administration of a comprehensive plan for reducing violence and drug use, bullying, and sexual harassment, incorporating identification, response to and reporting of bullying, education, prevention and intervention.

Strategies	Resources	Staff Responsible	Evaluation
------------	-----------	-------------------	------------

Appendix A

Detailed requirements for the prevention, identification, response to and reporting of bullying. The school district's policy and procedures for addressing bullying procedures can be found in the school district's board policy FFI (Legal) and FFI (Local) and are posted on the Counselor's website. They are also written as Administrative Regulations for administrators.	CISD Website; Counselors' website; Admin. Regs;	Student Services Counselors	Bullying policies & procedures posted and accessible to students, parents, community.
Student safety training for all staff including transportation and student nutrition conducted by counselors	"Summary of Bullying Changes"	Student Services Counselors	All staff trained in student safety.
Strategies	Resources	Staff Responsible	Evaluation
U.S. Dept of Justice Safety Tips for Kids and Safety Tips for Parents regarding Internet safety posted on Family Access for all elementary and middle school student parents access; posted on district website and provided to principals and counselors for distribution to students.	Website: http://www.justice.gov/us	Campus Admin.	Website posted and included in parent newsletters from all campuses.
Counselors will include methods for addressing the needs of students for special programs, early mental health intervention including suicide prevention programs on their website and shared resource drive. Resources for counselors will include specialized forms for evaluation of threat, procedures, follow-up procedures and checklists. Websites for school community access will provide information and resources designed to help awareness, recognition of symptoms and instructions for seeking assistance	Admin. Regs. Counselor website	Counselors	Increased awareness and recognition of symptoms and instructions for seeking assistance for all community members
Counselors will continue to conduct "Teen Screen" assessment grades 6-12 with parental opt-out option to identify and evaluate suicidal tendencies	Teen Screen Assessment form	Counselors	Teen Screen conducted and students 6-12 identified and evaluated

Summary of Bullying Changes Regarding House Bill 1942, Chapter 37, Sections 25.0342, 28.002, and 37.0832, beginning in the 2012-13 School Year

Appendix A

New definition of bullying: "In the Texas Education Code, bullying is now defined as; "engaging in written or verbal expression, expression through electronic means, or physical conduct that occurs on school property, at a school-sponsored or school-related activity, or in a vehicle operated by the district and that:

- (1) Has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property; or
- (2) Is sufficiently severe, persistent, and pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student."

Section 25.0342-Refers to the transfer of students who are bullied or have engaged in bullying to another class or school.

Section 28.002-Requires a comprehensive bullying prevention program to be included into the health curriculum. Components of this curriculum should include: awareness, prevention, identification, self-defense, resolution, and intervention.

Section 37.0832-Refers to bullying policies and procedures. Types of bullying can include written, verbal, electronic, or physical. It can occur on school property, at a school-related activity, or on a vehicle operated by the district. The conduct must exploit an imbalance of power and must either interfere with a student's education or disrupt school operations. The conduct must have the effect of physical harm to the student, damage school property, or place the student in fear of harm to person or property, and, is the conduct sufficiently severe, persistent, and pervasive that it creates an environment that is intimidating, threatening, or abusive.

This section also:

1. Prohibits bullying
2. Prohibits retaliation of anyone
3. Requires procedures for notifying parents of the victim and the bully
4. Requires that all staff and students should be trained in the procedures for how to report a potential bullying situation
5. Establishes reporting guidelines that are documented and done in a timely manner
6. Provides for counseling options for the bully, the victim, and any witnesses
7. States that a victim can't be punished for reasonable self-defense (defined by district)
8. Requires that discipline for bullying of a student with disabilities comply with requirements under federal law, including the Individuals with Disabilities Act.

Reporting procedures must be posted on a district's website and be included in the student and employee handbooks, as well as be included in the District Improvement Plan. Board Policies FFI(LEGAL) and FFI(LOCAL) which include detailed requirements for the prevention, identification, response to and reporting of bullying are attached to the District Improvement Plan as addendums.

Appendix A

Dating Violence Awareness

Objective: The district establishes a dating violence policy including a definition of dating violence as the intentional use of physical, sexual, verbal, or emotional abuse by a person to harm, threaten, intimidate, or control another person in a dating relationship (Section 71.0021, Family Code).

Strategies	Resources	Staff Responsible	Evaluation
Specific strategies will implement safety planning, enforcement of protective orders, school-based alternatives to protective orders, training for teachers and administrators, counseling for affected students, and awareness education for students and parents.	Admin. Regs	Student Services Campus Admin. & Counselors	All teachers & administrators trained; all students and parents increased

Sexual Abuse and Maltreatment of Children

Objective: Increase teacher, student, and parent awareness of issues regarding the sexual abuse of children. (HB 1041, 81⁵¹ Legislature)

Strategies	Resources	Staff Responsible	Evaluation
Plan must address methods for increasing staff awareness and recognition of issues of maltreatment and sexual abuse of children. The training must include prevention techniques and options for affected students. Training will be held annually for all staff members, and will be included as part of the orientation held for new employees, especially for coaches, counselors and other professional staff members. Training records will be kept on file.	Counselor Website	Student Services Campus Admin. Counselors	Training records for all staff members to indicate increased staff awareness and recognition. Student awareness and understanding of how to report and obtain help.

Appendix A

Special Programs

Objective: Special Education exemptions, predicted scores and alternative assessment scores will be monitored to ensure compliance and achievement of Performance Based Monitoring System Analysis Rating "O" in Special Education

Strategies	Resources	Staff Responsible	Evaluation
<ul style="list-style-type: none"> • Refine the Student Assistance Team (SAT) process to the extent that 90% or more of all referrals meet the criteria for Special Education eligibility with a decrease in initial referrals of all students • Provide staffing support for regular education students with behavioral and Dyslexia needs including accelerated reading program • Provide training for Texas Behavior Support Initiative (TBSI) relating to instruction of students with disabilities and designed for educators who work primarily outside the area of special education 	SIT Procedures	Exec Dir of SpEd CIS Exec. Dir of SpEd	Reduction in number of all students referred to Special Education, including reduction in African American students referred in proportion to percentage of African American student population and Special Education population and Hispanic students referred in proportion to percentage of Hispanic student population and Special Education population Regular Ed teachers trained in TBSI to better serve all students.
<ul style="list-style-type: none"> • Implement Response to Intervention to facilitate : <ul style="list-style-type: none"> o Coordination between general and special education; o Disproportional and over-representation based on race and ethnicity; o Discipline and behavior management; o Provision of Early Intervening Services; o Increase in referrals to SAT that meet the criteria for Special Education o Frequent monitoring of progress to make results-based academic or behavioral decisions 			

Appendix A

Post-Secondary Preparedness: Admissions & Financial Aid Information

Objective: Continue to provide information to middle and high school students and parents and their teachers and counselors about higher education and admissions and financial aid opportunities and sources for information, and the need for students to make informed curriculum choices.

Strategies	Resources	Staff Responsible	Evaluation
<p>The campus improvement plan shall include strategies for providing to students, teachers, counselors, and parents information about:</p> <ol style="list-style-type: none"> 1. Higher education admissions and financial aid opportunities 2. TEXAS grant program 3. Teach for Texas grant programs 4. The need for students to make informed curriculum choices to be prepared for success beyond high school 5. Sources of information on higher education admissions and financial aid [TEC 11.252(4)] 6. Informational presentation based on HB 5 to explain endorsements containing multiple clusters (areas of study) and pathways (sequence of courses) are available within each cluster. allow all students to achieve excellence by preparing them for secondary and postsecondary opportunities, career preparation and advancement, meaningful work, and active citizenship. <ul style="list-style-type: none"> • Career Cluster/Programs of Study Templates • Career Pathways Advisors to guide students in a coherent, articulated sequence of rigorous academic and career/technical courses • CTE program articulated sequence of courses • Carl Perkins Grant Funding • Graduate Profile • Provide career education to assist students in developing the knowledge, skills, and competencies necessary for a broad range of career opportunities 	<p>CTE Career Pathways; Graduate Profile; Carl Perkins Grant</p> <p>Texas College & Career resource site: www.texascollegeandcareer.org</p> <p>AHS wesite http://www.allenisd.org/Page/41476</p>	<p>CISD Administration CTE Admin. State Compensatory Education: All Campuses (FASRG 9.2.3)

State law requires that the district improvement plan and the campus improvement plans are the primary records supporting expenditures attributed to the State Compensatory Education (SCE) program and are the auditable documents for SCE. Requirements for improvement plans include:

1. Planned SCE expenditures for resources and staff salaries
2. Needs clearly identified in comprehensive needs assessment
3. Strategies to reduce or eliminate dropout rates
4. Strategies to improve student performance for at-risk students [TEC 11.253 and TEC 29.081)
5. Accelerated instruction plans [SCE funds must be prioritized and separately budgeted for AI for each student each time he/ she fails to perform satisfactorily on an EOC assessment and additional AI if the EOC is required for graduation .
SCE funds may not be used for any other purpose until AI is sufficiently funded. [HB5, TEC 28.0217 and TEC 29.081)
6. Supplemental FTEs
7. Timelines for monitoring strategies
8. Measurable performance objectives
9. Formative/ summative evaluation (including mandatory evaluation of the effectiveness of the accelerated instruction programs for high school students)[TEC 29.081)

At Risk Students/Drop-Out Prevention

Strategies	Resources	Staff Responsible	Evaluation
<p>At-risk students will be identified at all grade levels and will receive appropriate compensatory, intensive or accelerated instructional services through the RTI process.</p> <p>District and campus committees must analyze the following data and use the information in developing the campus or district plan:</p> <ol style="list-style-type: none"> 1. Results of audit of dropout records. 2. Campus info related to graduation rates, dropout rates, high school equivalency certificate rates, and the percentage of students who remain in high school more than four years after entering 9th grade 3. The number of students who enter a high school equivalency certificate program and (a) do not complete the program; (b) complete but do not take the exam; (c) complete and take the exam but do not obtain a high school equivalency certificate. 4. For students enrolled in 9th and 10th grades, information related to academic credit hours earned, retention rates, and placements in alternative education programs and expulsions 5. Results of an evaluation of each school-based dropout 	<p>Comp Ed.</p>	<p>Counselors; CIS</p>	<p>Students identified and served as At-Risk</p>
