

Mr. Garvey's Coding Camp

Coding Camp will be held at CMS !

Very Important !

Dragons coming to Coding Camp will need to bring their own device. Laptops. iPads and Google tablets will work

June 5-8, 12-15, 19-22, 26-29

8:30-11:30

\$200 per Week

Pick up students by 11:45

Kindergarten and First Graders

Scratch Jr. is a fantastic app to introduce young learners to the world of coding! Little Dragons will learn how to give directions to make their sprites (characters) jump, talk, loop, and disappear along with many other actions !

Scratch Jr. is a free download for iPads and Android Tablets. Please have Scratch Jr. installed before the first day of camp

June 5-8, 12-15, 19-22. 26-29

1:00-4:00

\$200 per Week

Pick up coders by 4:15

Second Graders-Fourth Graders

Scratch is a web based coding program run by MIT. It is a more complex program than Scratch Jr, but you can also create more advanced projects because of that. I will help students set up a Scratch Account so that they can save their projects they create,
