## June 5th - 8th: Intro to 5th Grade STEM

**What/Who:** Prepare for the transition to the upcoming 5th grade year with a fun week of STEM. We will have hands on activities that will challenge the mind of your child like: building and testing structures out of cardboard, creating and testing out vehicles, Breakout boxes, math/science games, STEM projects, prizes and more! Primarily meant for entering 5th graders, but students 10-13 yrs old are welcome.

**When:** June 5th - 8th (M-Th) from 8:30am-11:30 am

**Where:** Carrol Middle School

**Cost:** \$225 (Register using the QR code at the Bottom)

## June 12th-15th: Intermediate STEM

**What/Who:** This fun week of STEM is meant to help learners stay sharp in their STEM related subjects through fun games, project based learning, mini projects, STEM activities, Breakout boxes and more! Any student entering or exiting intermediate school are welcome (ages 10-13yrs).

**When:** June 12th - 15th (M-Th) from 8:30am - 11:30am

**Where:** Carroll Middle School

**Cost:** \$225 (Register using the QR code at the Bottom)

## June 19th-June 22nd: Welcome to Middle School STEM

**What/Who:** This week of STEM is meant for any intermediate learners transitioning to the next level, but will also be suitable for 5th and 6th grade learners as well. The focus this week will be on reviewing/previewing next year's STEM related subjects through fun games, STEM mini projects, problem based learning, Breakout boxes, prizes and more (ages 10-13 yrs)!

**When:** June 19th - June 22th (M-Th) From 8:30am - 11:30am

**Where:** Carroll Middle School

**Cost:** \$225 (Register using the QR code at the Bottom)

## June 26th-June 29th: STEM Extravaganza

**What/Who:** This week of STEM is meant for any 5th through 8th grade learner who is interested in Inquiry based learning with STEM. The focus this week will be creating/building and then checking and adjusting to optimize our creations. This will be done through problem based learning, Breakout boxes, prizes and more (ages 10-13 yrs)!

**When:** June 26th - June 29th (M-Th) From 8:30am - 11:30am

**Where:** Carroll Middle School

**Cost:** \$225 (Register using the QR code at the Bottom)
