

FOOD SERVICES MANAGEMENT:
FREE AND REDUCED-PRICE FOOD PROGRAM

COB
(REGULATION)

The District shall operate a free and reduced-price food program in accordance with the National School Lunch Act regulations. The Board may designate specific schools in the District as participants in the program.

Applications shall be distributed Districtwide at the beginning of each school year, and shall be available in the office of the principal at any time. The Director of Child Nutrition shall determine eligibility. Applications for free and reduced-price meal program participation shall be submitted to the office of the principal to be returned to the Director of Child Nutrition.

The District may require evidence to substantiate information submitted on an application for participation in the District free and reduced-price meal program.
