

SECOND OBSERVA-
TION APPRAISER
SCORES

Upon a teacher's request for a second appraiser and the second appraiser has completed the PDAS evaluation, the scores from the first appraisal and the second appraisal will be weighted equally by domain. The equal weight of the first and the second appraisal will be used to determine a "teacher in need of assistance" according to the current Commissioner's Rules Concerning Educator Appraisal.

The summative appraisal will be conducted with both the first and second appraiser and will be weighted equally by domain.
